INTRODUCTION

WELCOME

Welcome to Mega Truck Training! This handbook provides you with everything you need to know about studying with us. By choosing us as your education provider, you are choosing a high-quality and industry relevant course and education provider to ensure you are set up for the future.

ABOUT US

Located in Kelmscott, Perth, Mega Truck Training provides courses in the areas of driving heavy rigid vehicles, driving heavy combination vehicles and driving multi-combination vehicles. With well-located and comfortable facilities for students, industry current trainers and assessors along with modern equipment and resources, Mega Truck Training is a wise choice for your learning and future.

Mega Truck Training is a provider of vocational education and training (or VET as it is commonly known). The VET sector in Australia is based on a partnership between governments and industry. VET qualifications are provided by government institutions, called Technical and Further Education (TAFE) institutions, as well as private institutions.

We are a private institution. VET courses broaden your skills in specialised areas and are competency based. This means that you are either Competent, or Not Competent, and if you achieve competence for all your units that make up a qualification then you can be awarded with your qualification certificate.

OUR OBLIGATION TO YOU

As a Registered Training Organisation (RTO) registered with Training Accreditation Council (WA) (TAC), we have an obligation to ensure the quality of the nationally recognised training and assessment we deliver. We must comply at all times with the Standards for RTOs 2025, which are part of the VET Quality Framework.

We take this seriously, so we have developed policies and procedures along with systems within our business to make sure we comply with the standards and legislation. As we are responsible, this means that we take responsibility for any third parties we may work with – this includes training partners and sales/marketing providers. We participate in audits with the regulator (TAC) and must provide them with information when they request it.

We are also required to issue you with your Australian Qualification Framework (AQF) certification documents once you have been found competent. If you feel in any way that we are not living up to our obligations, you have the right to make a complaint. Please see the 'Complaints and Appeals' section of this handbook for information on how to do so.

WHAT IS A USI AND WHY DO I NEED ONE?

USI is the acronym for Unique Student Identifier. It is a reference number that creates an online record of your training and qualifications attained in Australia. If you don't have a USI, then you can't be awarded your qualification or statement of attainment.

Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means (unless you have an exemption issued by the USI registrar) that as a student you must provide us with your USI. For information about USIs including how to create one visit <https://www.usi.gov.au/>.

For information on exemptions visit: <https://www.usi.gov.au/exemptions>.

If you are having trouble creating a USI, we will assist you during the orientation session on the first day.

RPL AND CREDIT TRANSFER

You may apply for recognition of prior learning (RPL) for some aspects of these units, however it is unlikely to be applicable. Due to licencing requirements this is unlikely to be applicable.

Contact us if you have any questions.

COURSE ORIENTATION

At the beginning of your course, we will deliver an orientation session to you which includes an induction session. It's vital that you attend this as we will cover the following topics:

- Course information.
- Facilities and resources available at our campus.
- Emergency evacuation procedures.
- Your rights and responsibilities as a student.
- Support services available.
- Critical incidents and critical incident reporting.
- Question and answer session.
- Assistance in creating your USI if you have not done so already.

WHAT CAN I EXPECT DURING TRAINING AND ASSESSMENT?

Vocational training and assessment is all about practical and competency-based learning and assessment that is relevant to industry and our modern world.

You will learn in the classroom and/or the practical work environment where the industry conditions are simulated to prepare you for your chosen field. You are required to undertake a range of assessment activities dependent on the course you are undertaking. Your assessment tasks will either be marked as Satisfactory or Not Satisfactory and achievement of a Satisfactory result for all

assessment tasks within a unit of competency results in a mark of Competent for that unit. Once you have received a mark of Competent for all units that make up the qualification– you will be eligible to be awarded your qualification.

REASSESSMENT ARRANGEMENTS

Arrangements for reassessment will be arranged with you directly with your trainer/assessor if, and as, necessary. You are entitled to two attempts at each assessment task and if you exhaust both attempts, then you will be required to pay an additional cost for re-assessment as outlined in the ‘Fees and Refunds’ information and this will also be outlined in your *Student Agreement* signed at enrolment. Please refer to the ‘Fees and Refunds’ section for more information.

We can’t guarantee that you will be awarded your qualification as this is dependent on you and the work you put into your course. We will provide you with all the necessary facilities, equipment, trainers and support to complete the qualification – but the outcome of it depends on you. We also can’t guarantee that you will find work in your chosen field, as this depends on factors beyond our control – but what we can guarantee is that we will provide you with consistent training and an industry-relevant course with the support and guidance from a fantastic team of dedicated trainers who care about your individual progress. Each student matters to us – and your positive outcome and successes are successes of our college community also.

SUPPORT AND WELFARE

We all need a little extra support sometimes. We are here to help you – so don’t ever be shy to let us know what you are going through and how we can help.

We offer the following in relation to support and welfare:

- One-to-one support from the trainer/assessor.
- Support with personal issues, including your overall wellbeing.
- Access to additional learning resources.
- Reasonable adjustment in assessment.
- Information about external sources of support.

You may not have studied for a while, may have English as a second language or need additional assistance with literacy or numeracy. We will identify any additional support needs you may have at the time of application and enrolment and may prepare a Student Support Plan for you based on those needs.

We have a range of information we can provide you with on a variety of issues. Please communicate with us because we care. We don’t charge for internal services but you will be responsible for any external provider costs at the time you access the services. We can assist you to find local groups of like-minded people in the area, connect you with other students with similar interest groups or simply be a friendly listening ear when you need one.

Depending on your needs, we will provide you with a referral to the relevant local organisation and assist you to access services from them.

Some support services are listed in our Important information section of this handbook – but it's best to come and speak to the Administration and Student Support Officer where you can have a confidential discussion and get the right type of service / support for your need or concern.

ISSUING CERTIFICATES

Once you have been found competent in all units you are enrolled in that make up your qualification and have paid all your relevant fees – we will issue you with your qualification and record of results within 30 days. If you withdraw, meaning that you only partially complete your course, then you will be issued with a Statement of Attainment (SoA) within 30 days of withdrawal for all the relevant units that you have completed as competent. We reserve the right to withhold the issuance of any certificates until all fees have been paid, except where we are not permitted to do so by law. We cannot issue your certificates if we do not have your USI on file, which is why we ensure upfront that you have created one, and assist you to do so at the time of orientation if you have not created one prior to this.

REISSUING CERTIFICATION DOCUMENTS

We are required by law to keep records of your qualification and units achieved for at least thirty (30) years. If you lose your statements or qualification, we can re-issue these to you for an additional charge. Refer to our 'Fees and Refunds' section for more information.

FEEDBACK

Your feedback is important to us! Like all businesses, we strive to improve and use feedback to make changes in line with continuous improvement. We want to make sure we are meeting the needs of current and future students so please let us know if something isn't right or you have a feedback suggestion by emailing or calling us.

You will also be provided with a Quality Indicator Survey which is issued by the National Centre for Vocation Education and Research (NCVER). You may also receive surveys from your trainer or the office from time to time. Please complete these and return as advised.

IF YOUR DETAILS CHANGE...

From time to time your personal details may change. You might get a new mobile phone number, change your address or emergency contact details. Please notify us within 7 days if your address changes.

If you ever notice that something isn't right with some of your personal information or our records – please let us know so we can amend your records and correct it.
